

T Riding the T from Brookline Hills

Green Line — D branch

Name

Date

Our Stop: Brookline Hills

Green Line • D

Brookline Hills is our T stop — the closest one to school, where we catch the T for field trips.

It is on the **Green Line, D branch**, which runs between **Riverside** and **Union Square**. To get **downtown**, we ride toward **Park Street** (this is called **inbound**).

This is the sign you see on our platform. Use it to answer the questions.

Reading our stop

1. What is the name of our T stop? _____
2. What color line is our stop on? _____
3. Which branch of the Green Line is Brookline Hills on? _____ branch
4. The sign says "PARK ST & NORTH." Does this platform go toward downtown or away from downtown? Circle one:

Toward downtown

Away from downtown

Which Way Do We Go?

Inbound toward downtown, or outbound toward Riverside

INBOUND = toward **downtown** (Park Street & north). **OUTBOUND** = away from downtown, toward **Riverside**.

The red diamond shows **where we are** — Brookline Hills.

Neighbors & direction

1. Which stop comes right after Brookline Hills on the way downtown?

2. Which stop is right before Brookline Hills, toward Riverside? _____

3. To ride downtown to Park Street, which way do we go? Circle one:

Inbound

Outbound

4. A friend wants to go the other way, out to Riverside. They take an _____ train. Circle one:

Outbound

Inbound

5. The last stop (end) of our branch on the Riverside side is _____.

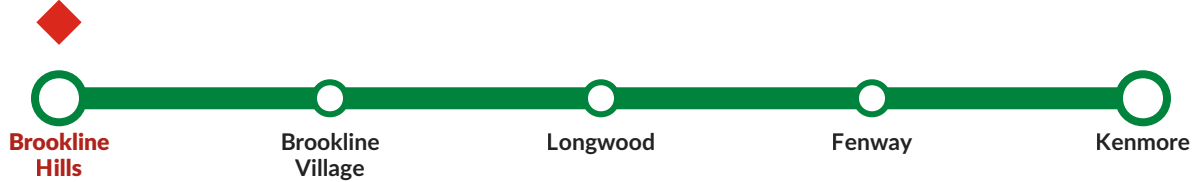

Counting Stops to Downtown

Count each stop you travel **TO**. Do not count the stop you start at.

Example: Brookline Hills to Longwood = **2 stops** (Brookline Village, then Longwood).

From our stop to Kenmore

YOU ARE HERE

From Kenmore into downtown

How many stops?

1. Brookline Hills to Kenmore = _____ stops.

2. Kenmore to Park Street = _____ stops.

3. Brookline Hills to Copley = _____ stops.

4. Brookline Hills all the way to Park Street = _____ stops. (Hint: add the two strips.)

Going Home: Riding Outbound

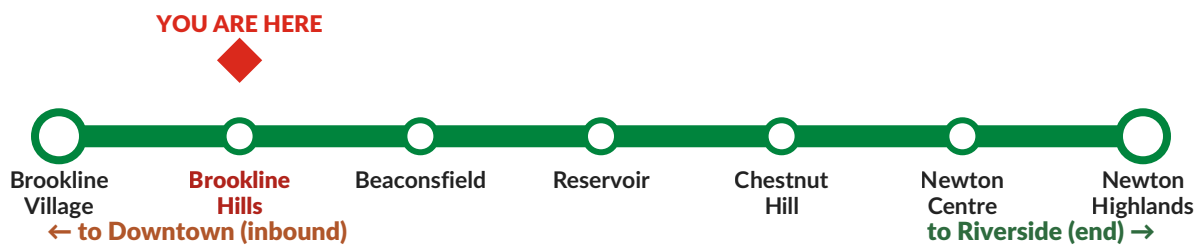

Toward Riverside — away from downtown

OUTBOUND = toward **Riverside**, away from downtown. When our field trip is over, we ride the **outbound** train to come home to Brookline Hills. On the platform and the front of the train, look for the words **(D) RIVERSIDE**. This is the sign on the **other side of the tracks** from our morning platform.

BROOKLINE HILLS

GREEN LINE — (D) RIVERSIDE

The stops near Brookline Hills

Riding outbound (going home)

1. To go home, away from downtown, which way do we ride? Circle one:

Outbound

Inbound

2. The outbound train goes all the way to its last stop, _____.

3. On the platform and the train, we look for the words “(D) _____.”

4. Which stop comes right after Brookline Hills going toward Riverside?

5. Coming home from downtown, which stop do we get off at? _____

6. If we ride one stop too far and miss our stop, what is the very next stop?

Field Trip Planner

Starting from Brookline Hills

Places we can reach on the Green Line (no train change): Kenmore (Fenway Park), Copley (library), Boylston & Park Street (Boston Common), North Station (TD Garden), Science Park (Museum of Science).
Need another line? Transfer at **Park Street** to the **Red Line**, or at **Government Center** to the **Blue Line**.

1. Our class is going to the Museum of Science (Science Park stop). From Brookline Hills, which way do we ride, and do we have to change trains?

2. We are going to Boston Common (Park Street stop). Which line do we take? Do we transfer?

3. We are going to the New England Aquarium (Blue Line). Ride the Green Line to Government Center, then switch. Which line do we switch to?

4. We are going to a Red Sox game at Fenway Park (Kenmore stop). Which stop do we get off at, and do we need to transfer?

Reading the Green Line Schedule

Trains leaving Brookline Hills toward downtown
