SAFETY READING COMPREHENSION

Sofia is taking the train home from Park Street. She walks up to the fare gate and taps her CharlieCard. The gate beeps, but it does not open. There is not enough money left on her card.

Sofia does not try to squeeze through the gate behind another person. She goes to the station attendant in the booth and asks for help. The attendant shows Sofia how to add money to her card.

COMPREHENSION QUESTIONS

1. Where is Sofia taking the train home from?

2. What does Sofia tap at the fare gate?

3. Why does the gate not open?

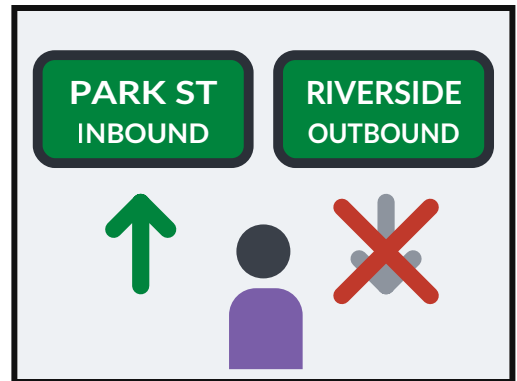

4. Who does Sofia ask for help?

SAFETY READING COMPREHENSION

Ethan is at Kenmore station. He sees his train at the platform and the doors are already starting to close. Some people are running to catch it. Ethan really does not want to be late.

Ethan stops and lets the train go. He knows he should never hold the doors open or stick his arm inside. Another Green Line train comes a few minutes later, and Ethan gets on safely.

COMPREHENSION QUESTIONS

1. Which station is Ethan at?

2. What are the doors already starting to do?

3. What does Ethan know he should never do?

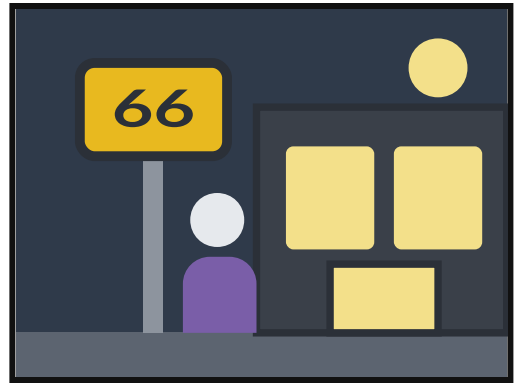

4. What comes a few minutes later?

SAFETY READING COMPREHENSION

Rosa is waiting for the 66 bus at Coolidge Corner. It is dark outside and the bus stop is quiet. Rosa notices that one part of the sidewalk is dark and one part is bright.

Rosa waits in the bright light in front of a store that is still open. She stands back from the curb so she is not close to the cars. When the bus comes, Rosa steps forward so the driver can see her.

COMPREHENSION QUESTIONS

1. Which bus is Rosa waiting for?

2. Where is Rosa waiting for the bus?

3. Where does Rosa stand while she waits?

4. Why does Rosa step forward when the bus comes?

SAFETY READING COMPREHENSION

Kai is on a class trip downtown. The group gets off the train at Park Street, but the platform is very crowded. When Kai looks up, he cannot see his class anywhere.

Kai does not get on another train and he does not leave the station. He goes to the meeting spot his teacher showed the class before the trip and waits there. His teacher finds him two minutes later.

COMPREHENSION QUESTIONS

1. Where does Kai get off the train?

2. What can Kai not see when he looks up?

3. Where does Kai go to wait?

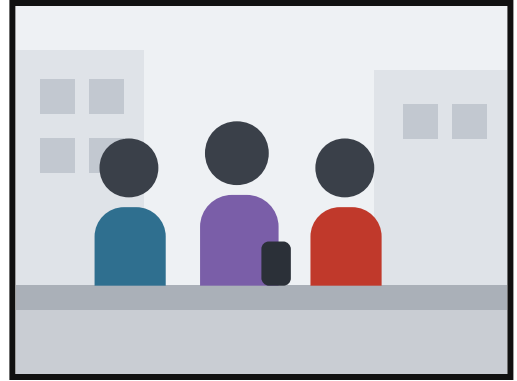

4. Who finds Kai two minutes later?

SAFETY READING COMPREHENSION

Diego gets off at Fenway station with his class. They have to walk three blocks to the museum. Diego wants to look at his phone while they walk.

Diego puts his phone in his pocket so he can watch where he is going. He stays with his group on the sidewalk. When Diego is not sure which way to turn, he asks his teacher instead of walking ahead alone.

COMPREHENSION QUESTIONS

1. Where does Diego get off with his class?

2. How far do they have to walk to the museum?

3. Where does Diego put his phone?

4. What does Diego do when he is not sure which way to turn?
