

What Time Is It?

Read the clock, then circle the time

NAME

DATE

The **short orange hand** tells the **hour**. The **long blue hand** tells the **minutes**.

Circle the time on each clock

Look at the short hand first — that is the hour.

1. What time is it?

3:00

3:30

4:00

(circle one)

2. What time is it?

9:00

9:30

10:30

(circle one)

3. What time is it?

6:00

6:30

5:00

(circle one)

4. What time is it?

12:30

11:30

11:00

(circle one)

5. What time is it?

7:00

8:30

8:00

(circle one)

6. What time is it?

3:30

2:00

2:30

(circle one)
